Dear Professor,

I hope you are doing well.

I am writing this email to request permission to submit my assignment a few days after the deadline . I couldn't submit my assignment on time due to unforeseen circumstances .I already started working on the assignment to submit it as early as possible but I was unable to finish and submit it on time .

I know it is very important to submit on-time as it plays a key role in awarding internals .I have already completed half of the work and need a little more time to complete it. I would be grateful if you could allow me to submit the assignment after the deadline.

Thank you for your understanding. Looking forward to hearing your response.

Best regards,

Renu Sree
